

PUBLIC FORUM SCHEDULE 2017 Strategic Plan

Our 2017 Strategic Plan is readily available to individuals and families who receive services, employees of the county board, citizens of the county, and any other interested persons. Copies of our 2017 Strategic Plan and progress reports are available in all department offices and may also be viewed on our website at www.ashtabuladd.org

We value your input into the programs, services and supports we provide for the residents of Ashtabula County with developmental disabilities. We look forward to receiving public feedback regarding the strategic plan and strategic plan progress reports.

Please make plans now to attend one or all of the four public forums. If you are unable to attend, please submit written input to the Board Office or contact the Superintendent directly at 440.335-1581.

Information and feedback received from each public forum will help us serve our community better.
